GERMANY

Dear Mr. Schulte,

Thank you for having sent the registration form and the promotion plan to join **the GreenBuilding Programme as Endorser**. Your company is hereby granted the title of **Endorser in GreenBuilding** and I am proud to welcome you to our network.

As indicated in the Endorsers Guidelines, we are expecting you to promote the GreenBuilding Programme. In particular your organisation should:

- disseminate information on the GreenBuilding Programme;
- encourage companies to become GreenBuilding Partners;
- aid GreenBuilding Partners in putting into practice the recommendations of Partner guidelines.

Now a GreenBuilding Endorser, your company will be listed on the GreenBuilding web site at <http://re.jrc.ec.europa.eu/energyefficiency/greenbuilding/index.htm> and among the Endorsers in future GreenBuilding publications. For these purposes, please keep me informed with regard to possible changes in contact details.

I hope that this process will bring you recognition for your support and implementation of energy efficiency and that, as a result, we may welcome several new Partners to the programme.

I am looking forward to our collaboration with great enthusiasm and anticipation of success. If you need further technical assistance, you may consult our web-site. Should you have any further questions, please do not hesitate to contact me or your GreenBuilding National Contact Point.

Yours sincerely,

P. Bertoldi
GreenBuilding Programme Manager
